GRIEVANCE ADJUSTMENT PROCEDURE - EMPLOYEE

A. Purpose:

1. The purpose of this procedure is to secure at the lowest possible level, an equitable solution to problems which may arise affecting the application of the terms and conditions of this Agreement as to an employee or group of employees.

2. Nothing herein contained shall be construed as limiting the right of an employee having a grievance discuss the matter informally with any supervisor of the departments and having the grievance adjusted without formal proceedings as long as such settlement is not in conflict with the terms of this Agreement.

3. Pending the filing of a grievance and its final disposition the employee shall continue to work in a regular and orderly manner without interruption.

B. Definition:

The term "grievance" as used herein means any alleged violation of this Agreement, or any dispute with respect to its meaning or application that may be raised by an individual, the Union or the Township of Aberdeen.

C. Grievance Specificity:

A written grievance must identify the grievant by name; set forth with reasonable particularity a clear and concise statement of the fact constituting the grievance, including the specific action or failure to act alleged; the time and place of occurrence of said act; the employer's representative whose action or failure to act forms the basis of the grievance, explaining the precise questions or interpretation, application or alleged violation of such provisions underlying the grievance and must set forth with particularity the remedy sought.

D. Steps of the Grievance Procedure:

The following constitutes the sole and exclusive method for resolving grievances between the employees covered by this Agreement and shall be followed in its entirety unless any step is waived by mutual consent or the grievance is resolved on a lower level:

1. Step One - Department Head

(a) A grievance shall be submitted in writing to the Department Head within fourteen calendar (14) days of occurrence of the grievance or when the aggrieved should reasonably be expected to have known of its occurrence. Failure to act within said time period shall be deemed to constitute an abandonment of the grievance.

(b) The Department Head shall render a written decision within ten (10) working days from the receipt of the grievance.

2. Step Two - Township Manager:

(a) In the event a satisfactory settlement has not been reached at step one, or the Department head fails to respond within the time period prescribed, such employee may file a signed written grievance with the Township Manager within five (5) days of its due date. The Township Manager shall review the grievance and render a written decision within ten (10) working days.

3. Step 3 - Arbitration:

(a) In the event the grievance has not been resolved at step two, or the Township Manager failed to respond to the grievance, the Union may serve notice of intent to arbitrate the grievance within twenty (20) working days. Where the grievance involves a major disciplinary action subject to the jurisdiction of the Merit System Board of the State of New Jersey Department of Personnel, that procedure must be utilized and the major discipline may not be arbitrated. No grievance concerning the discipline or discharge of a newly hired probationary employee may be

submitted to arbitration. Failure to act within said time period shall be deemed to constitute an abandonment of the grievance.

(b) The arbitrator shall be chosen in accordance with the rules and regulations of the Public Employee Relations Commission. The Arbitrator shall be bound by the provisions of this Agreement and shall be restricted to the application of the facts presented to him. He shall not have the authority to add to, modify, detract from or alter in any way the provisions of this Agreement or any amendment or supplement hereto.

(c) In the event the grievance is withdrawn from arbitration, once started, the withdrawing party shall be responsible for all costs incurred in processing the matter to arbitration. If arbitration proceeds to its conclusion, the arbitrator's costs or fees shall be borne equally between the Union and employer. Any other expenses incurred, including, but not limited to the presentation of witnesses shall be paid by the party incurring same.

(d) The arbitrator shall set forth his finding of the facts and reasons for making the award within (30) calendar days after conclusion of the arbitration hearing unless agreed to otherwise by the parties.

E. Township Grievances:

Grievances initiated by the Township shall be filed in writing directly with the union president or other duly authorized representative within the same period set forth in step one, paragraph (a). A meeting between the Township Manager and Union representative shall be held within (14) calendar days of the receipt of said filing in an earnest effort to amicably settle the grievance. In the event no amicable settlement shall be reached, the procedure set forth in step three shall be applied. It is agreed by the parties that each arbitration case shall be limited to a single use.
